About HKEdCity

One-Stop Professional Education Portal

www.hkedcity.net

With a mission of being the market facilitator, HKEdCity is devoted to providing information, resources, interactive communities, online tools and services to strive for innovative learning and enhance teaching effectiveness, fulfilling its commitment to embrace new opportunities with different stakeholders in the digital era.

Developing Quality Online Services across the Region

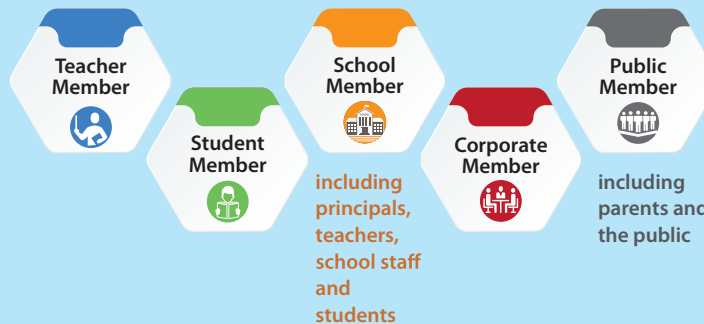

- Facilitate teachers' collaboration and exchange of educational resources, building a professional community
- Encourage students to make effective use of interactive eLearning platforms and develop self-directed learning habit
- Empower parents to nurture children's whole person development and lifelong learning

Connecting with Industry Partners

- Collaborate with parties in the field of ICT or / and education
- Promote industry exchanges and expand business opportunities

HKEdCity Membership

Business-School Partnership

Bridge between Industry Partners and Schools

www.hkedcity.net/partner/frontpage

Services and Benefits

- **Partner Portal** - keep abreast of business opportunities and updated information
- **Event Calendar** - promote educational activities for free

Collaboration Opportunities

eAssessment:	Online Question Bank (OQB)
Learning & Teaching Resources:	eREAP (eResources Adoption Programme), Resources Depository
Professional Development:	Learning & Teaching Expo
Reading:	HK Reading City, eRead Scheme, EdBookShelf
Single Sign-on:	EdConnect
WiFi Authentication and Testing:	WaaSchool

Types of Partnership

- Support an activity or a campaign
- Jointly organise an activity or a campaign
- Jointly develop a project for a period of time

Join Us

Corporate Member application is open to:

- Government bodies
- NGOs
- Educational associations
- Organisations in the field of ICT or / and education

Account Management

Riding on the comprehensive HKEdCity membership system, schools can easily manage student and teacher accounts, enjoy single sign-on to multiple online platforms, and connect to WiFi network

Become Our Member

www.hkedcity.net/join

Member Benefits

Individual Member

- Keep abreast of the latest education trends
- Browse useful education-related resources
- Participate in thematic seminars and events
- Exchange ideas with the professional community

School Member

- Manage student and teacher accounts with ease
- Enjoy diverse school-based services and learning and teaching resources
- Participate in schemes and competitions

Corporate Member

- Promote education-related activities
- Create business opportunities by project collaborations

Steps for Individual Registration

- 1 Click **'Login/Register'** on the top right corner of HKEdCity website, and click **'Register'**
- 2 Choose membership type
- 3 Follow the steps to register and activate the account
 - To enjoy school-based services, teacher members can send affiliation request to school administrator
- 4 Update personal information and subscribe to **HKEdCity News*** in **'Settings'**

Keep abreast of the latest educational issues and products
*Regular newsletter and email with event news and resource recommendations

Steps for Batch Upload by School Administrator

TEACHER

- ① Click **'Create Teacher Account'** on school administration page
- ② Create and upload profiles with teachers' name, school email and/or e-Services email
- ③ Preview upload status and verify the information. Teachers can then log in and activate accounts

STUDENT

- ① Click **'Student Account>Upload Student Profiles'** on school administration page
- ② Create and upload students' profiles
- ③ Distribute login information to students. Students can then enjoy HKEdCity services

EdConnect

Unified Management of Student Data, Online Platforms and eResources

EdData

www.hkedcity.net/partner/studentdata

- Standardise data format and platform specification to simplify administration
- Manage student data for multiple eResources on single platform
- Authorise to share student data with providers easily
- Ensure data quality for more complete and effective learning analysis

'Resources and Tools Management' Page

www.hkedcity.net/schoolpage

- Update school account annually by school to access multiple platforms with single sign-on solution
- Set school email as HKEdCity login ID
- Manage resources connected with 'EdConnect Single Sign-on–Directory Services' with ease

10+

Solution Providers

600+

Schools

WaaSchool

One-stop Supporting Services for School WiFi Management

WaaSchool WiFi Authentication Service

www.hkedcity.net/waaschool

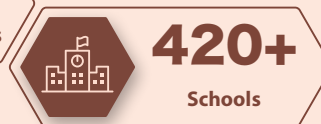

- Log in to school WiFi with HKEdCity account
- Control WiFi access for designated user(s) and specific period(s)
- Control number of devices connecting to the WiFi network for each user at a time

WiFi Testing Tool

www.hkedcity.net/waaschool/content/testing-tool

- Evaluate WiFi network performance by simulating a real class situation
- Make an online reservation for testing
- Conduct the test(s) on your own or with the network service provider

Teacher Professional Development

Facilitating professional and inspirational exchanges by bringing education experts and teachers together to share strategies and discuss hot educational topics such as innovative education, eLearning and inclusive education

Learning & Teaching Expo

Professional Platform for Educators Worldwide to Share Education Insights and Experiences

www.hkedcity.net/lte

- One of Asia's leading annual education shows with professional seminars, workshops and exhibitions
- Introduce latest education trends and EdTech to facilitate innovative learning and teaching
- Free admission for educators and industry stakeholders
- Encourage schools to visit LTE as a professional development programme for teachers with attendance report available by request

Keynote Presentations

World-class scholars and experts foster professional exchange on hot education topics

Seminars

Share insights on eLearning, Special Educational Needs, Early Childhood, Vocational Training and Tertiary Education, etc.

Open Lessons

Experienced teachers demonstrate how to implement innovative learning in lessons of different subjects

Diverse Exhibits

Wide range of educational products and services from learning suites to classroom furniture

School Visits

Local schools unfold innovative teaching practices on campus

Learning & Teaching Expo 2019

11-13 December 2019

Hall 3CDE Hong Kong Convention and Exhibition Centre

Go eLearning &

Teacher TV

Online Professional Development Platforms for Teachers to Grasp Education Trends and Embark on Innovations

Go eLearning: Practical Experience of Innovative Education

www.hkedcity.net/goelearning

- Practical cases and teaching tips shared by experienced teachers
- Step-by-step video demonstration of popular EdTech solutions
- Training workshop videos for review
- Downloadable resources such as lesson plans and worksheets available

9 Series:

- Assessment as / for Learning
- Coding and Computational Thinking
