# About HKEdCity

[www.hkedcity.net](http://www.hkedcity.net)

## One-stop Professional Education Portal

With a mission of being the market facilitator, HKEdCity is devoted to providing information, resources, interactive communities, online tools and services to strive for innovative learning and enhance teaching effectiveness, fulfilling its commitment to embrace new opportunities with different stakeholders in the digital era.

### Developing Quality Online Services across the Region

- Facilitate teachers' collaboration and exchange of educational resources, building a professional community
- Encourage students to make effective use of interactive eLearning platforms and develop self-directed learning habit
- Empower parents to nurture children's whole-person development and lifelong learning

### Connecting with Industry Partners

- Collaborate with parties in the field of ICT and / or Education
- Promote industry exchanges and expand business opportunities

### HKEdCity Membership

#### Individual Member (Registered by individual)

- Teacher
- Public / Parent

#### School Member (Bulk registration by school)

- Principal, teacher and school staff
- Student

#### Corporate Member

# Business-School Partnership

[www.hkedcity.net/partner/frontpage](http://www.hkedcity.net/partner/frontpage)

## Bridge between Industry Partners and Schools

### Services and Benefits

- **Partner Portal** – Keep abreast of business opportunities and market updates
- **Event Calendar** – A free platform to promote educational activities

### Collaboration Opportunities

#### eAssessment

Provide question banks for teachers and students to create assessments

#### Learning & Teaching Resources

Provide eLearning resources and tools for free trial, use or bulk purchase, helping teachers implement innovative teaching

#### Professional Development

Demonstrate education products or services; co-organise seminars and workshops to share strategies and experience

#### Reading

Introduce books, provide sample chapters and digital rights to produce eBooks for school or individual subscription

#### Student Data Exchange Platform and Single Sign-on

Secure access of student data via standardised platform; adopt single sign-on service to simplify school's administration process of managing accounts and multiple online platforms

#### WiFi Authentication and Testing

Co-support schools to manage wireless network

### Types of Partnership

- Support an activity or a campaign
- Jointly organise an activity or a campaign
- Jointly develop a programme or project for a period of time

### Join Us

#### Corporate Member application is open to:

- Government bodies
- NGOs
- Educational associations
- Organisations in the field of ICT and / or education

## Account Management

Riding on the comprehensive HKEdCity membership system, schools can easily manage student and teacher accounts, enjoy single sign-on to multiple online platforms, connect to WiFi network and enjoy diversified school-based services and student learning platforms.

# Become Our Member

[www.hkedcity.net/join](http://www.hkedcity.net/join)

## Member Benefits

### All Members

- Enjoy 600+ free eBooks and 5,000+ books with sample chapters
- Participate in free seminars, workshops, etc.

### Individual Members

#### Teacher Members

(Registered by individual)

- 1,400+ professional development videos
- 17,000+ learning and teaching resources
- Free registration for Microsoft Office 365 Education account

#### Public / Parent Members

- 1,300+ parenting and education-related articles and videos
- 500+ learning games

### School Members

#### School Administrators

- Create accounts tailor-made for that school's teachers and students
- Easily manage WiFi network and teacher / student accounts with HKEdCity WiFi authentication and single sign-on service

#### Teacher Members (Registered by school)

- Use various HKEdCity school-based platforms to implement eLearning
- School-based subscription for free and paid eBooks to promote reading in school
- Arrange students to participate in award schemes and competitions for accolades
- Free registration of Microsoft Office 365 Education account

#### Student Members

- Participate in award schemes and competitions of different subjects
- 500+ learning games
- 3,400+ free questions for public exams
- 200+ videos for personal growth

### Corporate Members

- Promote via 'Partner Events' of HKEdCity website and share activities on 'Event Calendar'
- Collaborate with HKEdCity to explore business opportunities and reach hundreds of thousands of HKEdCity members
- Co-build education ecosystem with data standardisation

## Steps for Member Registration

Click 'Login / Register' on the top right corner of HKEdCity website, then choose 'Register'

Choose membership type and follow the instructions to register and activate your account

 Individual Member	 School Member	 Corporate Member
<ol style="list-style-type: none"><li>1. Update personal particulars in '<b>Settings</b>'</li><li>2. To set up an individual teacher account, go to '<b>Settings</b>' then "<b>Be a Teacher</b>" Information'. Fill in the relevant information, such as your teacher type, school, teaching subjects, etc.</li></ol>	<p>Batch upload by school administrator to create teacher and student accounts via the '<b>School Accounts Administration System</b>'</p> <p><b>Teacher Account</b></p> <ol style="list-style-type: none"><li>1. Click '<b>Create Teacher Account</b>' in the system</li><li>2. Create and upload profiles with teachers' names and school emails</li><li>3. Preview upload status and verify the information. Teachers can then log in to their school emails to activate their accounts</li></ol> <p><b>Student Account</b></p> <ol style="list-style-type: none"><li>1. Click '<b>Students Account &gt; Upload Students Profiles</b>' in the system</li><li>2. Create and upload students' profiles</li><li>3. Distribute the login information to students. Students can then enjoy HKEdCity services</li></ol>	<p>Submit HKEdCity '<b>Corporate Account Application Form</b>' and related documents online</p> <p><b>Q:</b> What's the difference between teacher accounts registered by individual / school?</p> <p><b>A:</b> The teacher account registered by you individually is mainly for teacher professional development, and is owned solely by you; the teacher account registered by your school is for you to use school-based services, such as the STAR platform. Each school will add, delete or update teacher accounts registered through themselves in accordance with their teaching staff employment of the year.</p>

After login, subscribe to HKEdCity updates in '**Settings**':

1. EdPost (columns designed specifically for teachers, parents and students)
2. Email recommendations of events and resources

## Promote eLearning Prevalence with Unified Data Format and Platform Specification

### School Benefits

- Update accounts annually in HKEdCity's 'School Accounts Administration System' for providers to access updated account data through EdData platform, sparing the efforts of providing account data for different providers
- Systematically approve, edit or reject data access requests for different eResources, and easily authorise providers to access suitable data, thereby protecting personal information
- No more manual provision of data files needed with data accessed through the platform, thus enhancing security of data transmission
- Detailed data transfer records for understanding eLearning implementation progress
- Set school email as HKEdCity login ID for easy management
- Teachers and students can access multiple eResources with one single account, reducing the burden of assigning and using multiple sets of accounts

### Provider Benefits

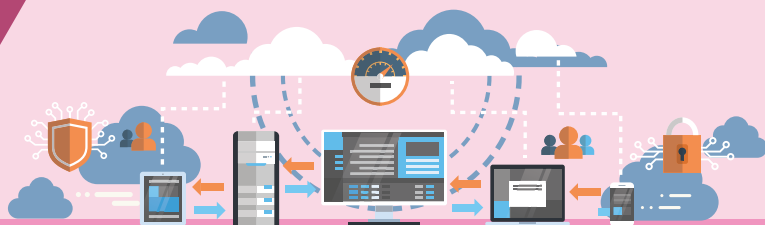

- Send data access requests to different schools through a single platform, sparing the efforts of following up with each school
- No more manual notifications and updates needed with latest student data retrieved via the platform which automatically saves any updated data from schools
- Detailed data transfer records for following up with each school systematically
- Support latest open authorisation methods, including OAUTH 2.0, SAML 2.0 and AppAuth

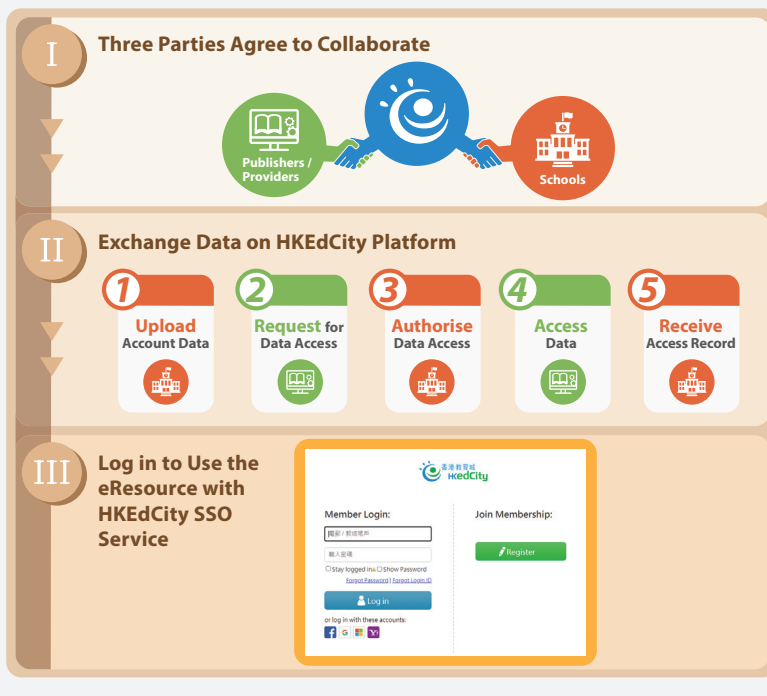

**600+**  
Schools

**10+**  
Providers

## Workflow of EdData x EdConnect

# WaaSchool

[www.hkedcity.net/waaschool](http://www.hkedcity.net/waaschool)

## One-stop Supporting Services for School WiFi Management

### WaaSchool WiFi Authentication Service

- Log in to school WiFi with HKEdCity accounts, without having to create an extra set of accounts
- Control WiFi access for designated user(s) and specific period(s) on a need basis
- Control number of devices connecting to the WiFi network for each user at a time

### WiFi Testing Tool ([www.hkedcity.net/waaschool/content/testing-tool](http://www.hkedcity.net/waaschool/content/testing-tool))

- Evaluate WiFi network performance by simulating an authentic classroom environment (service open to all schools)
- Online reservation for testing available for school staff ([www.hkedcity.net/schoolservices/wifi/booking](http://www.hkedcity.net/schoolservices/wifi/booking))
- Conduct the test(s) on your own or together with the network service provider

 **370+**  
Schools

 **10+**  
Service Providers

# Teacher Professional Development

Facilitating professional and inspirational exchanges by bringing education experts and teachers together to share strategies and discuss hot educational topics such as innovative education, eLearning and inclusive education

## Professional Platform for Educators Worldwide to Share Education Insights and Experiences

- One of Asia's leading annual education shows with professional seminars, workshops and exhibitions
- Introduce latest education trends and EdTech to facilitate innovative learning and teaching
- Free admission for educators and industry stakeholders
- Can be treated as a school's teacher professional development programme with staff attendance report available by request
- Provide teachers with up to 24 hours of Continuous Professional Development (CPD) hours

### Keynote Presentations

World-class scholars and experts foster professional exchange on hot education topics

### Seminars

Share insights into crucial topics including Innovative Education, eLearning, Special Educational Needs, STEM Education, Early Childhood Education, Vocational Training, Tertiary Education, etc.

### Open Lessons

Experienced teachers demonstrate how to implement innovative learning and teaching in different subjects

### Diverse Exhibits

A wide range of educational products and services, from learning suites to classroom facilities

### School Visits

Local schools unfold innovative teaching practices on campus

**13,400+**  
Visitors

**360+**  
Exhibition Booths

**300+**  
International and  
Local Speakers

**250+**  
Seminars / Workshops /  
School Visits

**'Learning and Teaching Expo 2020'**

**9 - 11 December 2020**

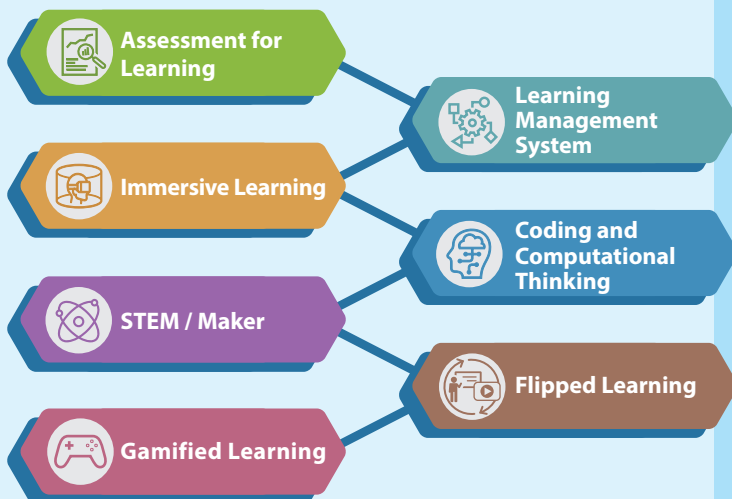

Hall 3CDE, Hong Kong Convention and Exhibition Centre

One-stop Professional Development Platform for Teachers to Grasp Education Trends and Innovative Strategies

- Videos covering innovative learning and teaching as well as diversified professional development areas
- Sharing of local and international educators on global education trends
- Demonstrations of EdTech solutions by experienced teachers with practical cases and teaching tips
- Training workshop videos for review
- Downloadable resources such as lesson plans and worksheets

## Teaching Strategies and Resources Portal for Special Educational Needs

### Practical Strategies and Resources

#### Teaching Strategies

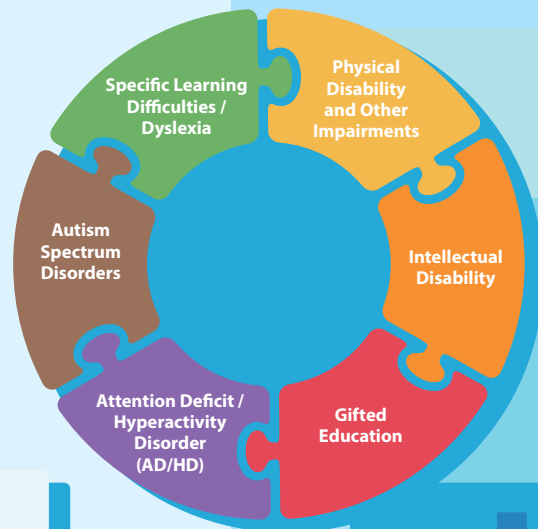

- 'Wise Tips for SEN' for mainstream and special schools co-developed with the Centre for Special Educational Needs and Inclusive Education, The Education University of Hong Kong
- Regular thematic seminars for teachers and parents, focusing on both theory and practice

#### SEN Resources

- eTeaching kits for students with different SENs
- Case studies and tips shared by experienced schools

#### Learning Games

- 'Smart Arcade' with games for different academic subjects and brain development
- Adjusted game levels and interface catering for specific needs of students with SEN

 **400+**  
SEN Articles

 **25+**  
'Wise Tips for SEN' Videos

 **15+**  
Teaching Resources

 **30+**  
Learning Games

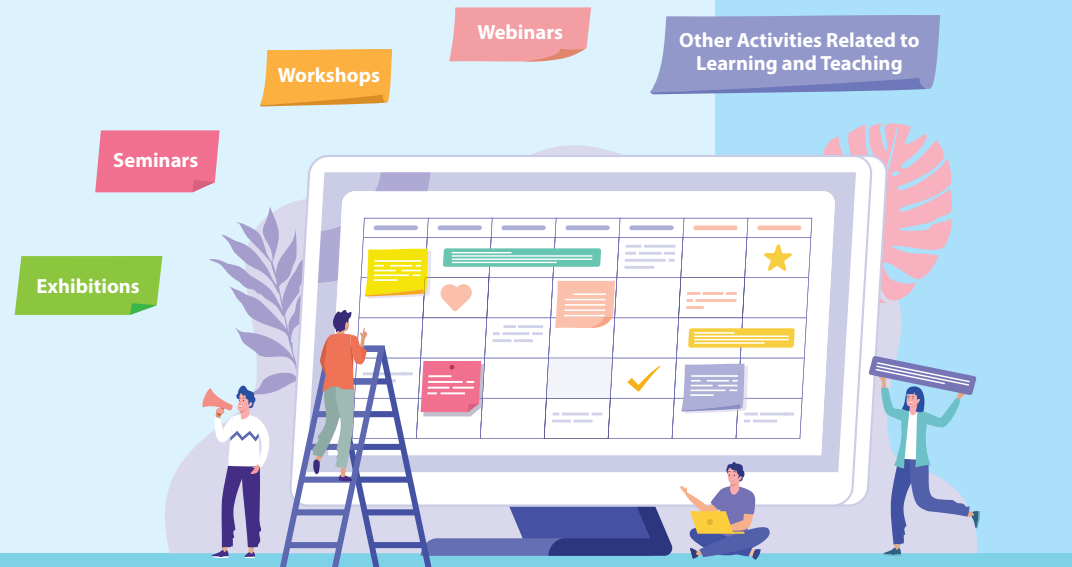

## Information of Local Education-related Activities

### Easy Searching of Events

- Search by categories such as learning area, target, nature and date
- ‘Hot Categories’ highlighting events in popular themes, including STEM and SEN
- Compatible with different web browsers and devices

### Easy Scheduling

- Registration made easy by linking individual event page(s) with online registration system
- Convenient scheduling by connecting with personal online calendar

## Learning, Teaching and Assessment Resources

Gathering local and overseas resources to support teachers to implement innovative and diversified education strategies, such as Assessment for Learning, Virtual Learning Environment (VLE) and Flipped Learning, to shape a student-centred teaching model and enhance learning and teaching effectiveness

## Cloud-based Virtual Learning Environment for Effective Learning, Teaching and Assessment

- **Level :** P1 - S6
- **Subject :** All Learning Areas and Interdisciplinary Subjects

### Open Standard Virtual Learning Environment / Learning Management System

- Flexible for teachers to design and carry out diversified learning, teaching and assessment activities
- Various assessment question types, such as multiple choice, matching and fill in the blanks
- Interactive feedback to students by texts, images or recordings
- Detailed learning data for reference and further analysis
- Teaching resource repository shared by teacher community
- Web and app versions available with all data secured in the cloud
- Adoption of open standard to enable resource import / export from different sources
- Free for individual teacher or whole school to apply to meet specific needs

### Enhance Learning and Teaching Effectiveness with Innovative Pedagogies

**10+**  
Whole-school  
Adoption

**170+**  
Individual Teacher  
Adoption

**430+**  
Locally-produced  
Teaching Materials

## Innovate to Educate with Adoption of Innovative EdTech

- **Level :** P1 - S6
- **Subject :** All Learning Areas and Interdisciplinary Subjects

### Experience Innovative EdTech

- Quality eResources sourced globally
- Free trial for schools within a specific period
- After the trial period, schools can opt to subscribe to suitable eResources at a lower price via bulk purchase

### Comprehensive Support to Facilitate Innovative Teaching

- Assist schools on account provision
- Teaching ideas and workshops on implementation strategies
- Facilitate experience sharing to co-build teacher community

### Rich Resources for Diverse Needs

- Cover major subjects, including Learning areas such as languages and STEM
- Cater for non-academic areas, including Social Emotional Learning

 **200+**  
Schools

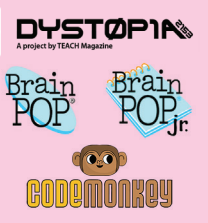

#### Languages

#### Maths & Science

#### Interdisciplinary Subjects

#### Learning Tools

## One-stop Portal Inspiring Lesson Preparation and Instructional Design

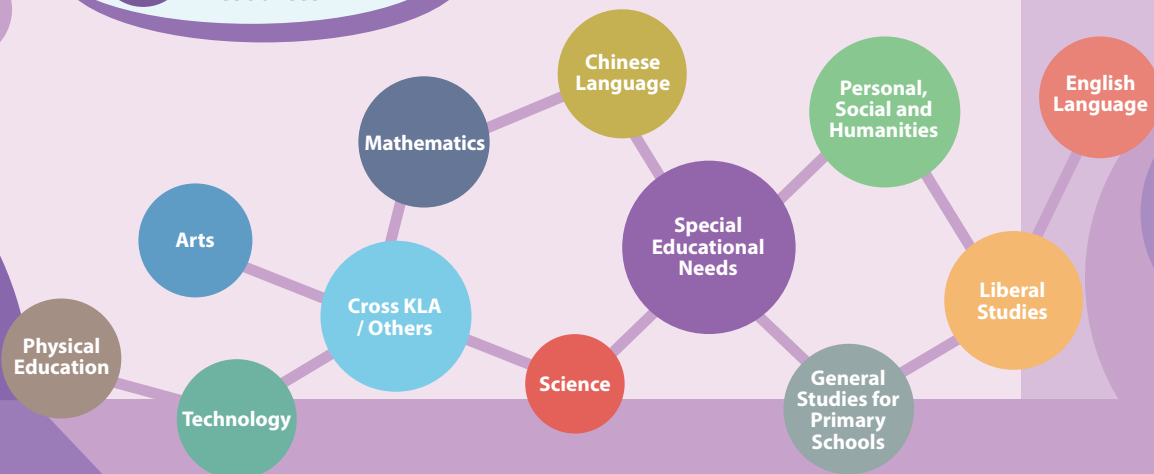

- **Level :** P1 - S6
- **Subject :** All Learning Areas and Interdisciplinary Subjects

### Quality Learning and Teaching Resources

- Quality resources from experienced teachers, universities, the Education Bureau, government bodies and NGOs, including EDB One-stop Portal for Learning and Teaching Resources ([www.hkedcity.net/edbosp](http://www.hkedcity.net/edbosp)) and Educational Multimedia ([emm.hkedcity.net](http://emm.hkedcity.net))
- Teaching plans, worksheets, multimedia resources, assessments, books, etc. available for teachers to enrich their lessons
- Search for the right resources by keyword, learning area or resource type

**Featured Resources :** STEM Resource Packages from Faculty of Education, The University of Hong Kong ( Keyword : Science Education )

 **17,000+**  
Resources

## Online Assessment System for Strengthening Students' Basic Competency

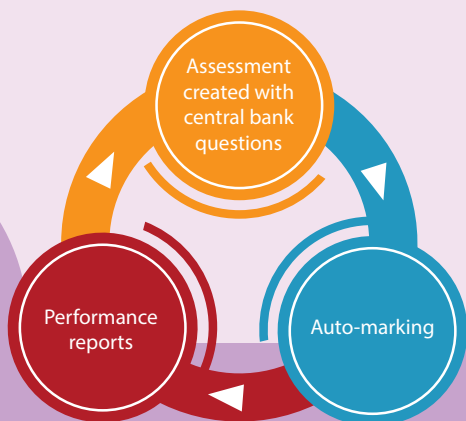

- **Level :** P1 - S3
- **Subject :** Chinese Language, English Language, Mathematics (Chinese and English questions available)

### Diversified Online Assessment Items

- Assessment questions designed according to 'Basic Competency' (BC) of different Key Stages
- Central item bank for teachers to select questions and create assessment tasks
- Assessments created can be shared with other teachers
- Auto-marking system provides students with instant feedback, easing administration work
- Compatible with different web browsers and devices

### Performance Reports for Analysis

- 'Possible mistakes and misconceptions' for teachers to easily identify students' learning difficulties
- Link up with EDB's 'Web-based Learning and Teaching Support' (<https://wlts.edb.hkedcity.net>) website for teachers to follow up with students' progress accordingly
- Downloadable reports for further analysis
- Reports can be shared among teachers within the same school for them to understand their students' progress

 **340+**  
Schools

 **107,000+**  
Students

## Online Assessment System with HKDSE Past Papers and Related Questions

- **Level :** S4 - S6
- **Subject :** Mathematics, Physics, Biology, Chemistry, Economics, Geography, Information and Communication Technology, Business, Accounting and Financial Studies, Tourism and Hospitality Studies, Physical Education, Liberal Studies

### Question Bank with Rich Contents

- Past papers from HKEAA
- Free questions\* from publishers, institutions, teachers, etc.
- Questions categorised in three levels of difficulties (Easy, Medium and Hard) catering for learning diversity
- Various settings such as simulated tests and instant answer review

\* Free access with HKEdCity teacher or student accounts

### Detailed Evaluation Reports

- Auto-marking system provides students with instant feedback, easing administration work
- School-based reports help teachers fine-tune teaching strategies
- Students can create assessments and check their own performance reports for self-evaluation

### Flexible Subscription Packages

- School-based – All Subjects (1-year or cross-year)
- Individual – Individual subject(s) (1-year)

### Subscribe and Use with Ease

 **200+**  
Schools

 **20,000+**  
Students

 **9,500+**  
Questions

 **3,400+**  
Free Questions

# Digital Reading

Cultivating students' reading interest and habit, helping schools make beneficial use of EdTech to foster a 'Read and Share' culture with one-stop supporting services

## One-stop Digital Reading Experience

**Consolidated  
Reading Services  
Coming Soon!**

### Book Resources

- Book Recommendations
- eBook Sample Chapters

### Book Reading

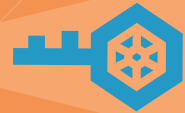

- Provide designated free eBooks
- Individual subscription of eBooks
- School-based subscription : eRead Scheme
- Connect to Hong Kong Public Library for borrowing books

### Reading Record

- Individual / school reading data automatically recorded

## Online Platform with Extensive Book Information

### Extensive Book Collection

 **7,000+**  
Book Titles

 **5,000+**  
Books with Sample Chapters

- Books in diverse categories with different ways to browse, search and preview
- Quick access to public libraries, eBooks, etc.

### My Reading Log

- Personalised library for recording reading progress systematically
- Reading goal(s) set for developing self-directed reading habit

### Book Recommendation

- Monthly themed Booklists with good reads for children and teenagers
- Celebrity Picks
- Award-winning Books

10  
十本好讀

### Annual 'Top Ten Book Picks'

- Students and teachers vote for favourite books and celebrate with authors and publishers
- 'Best Participation Awards for Schools' to recognise schools committed to promoting reading

 **230+**  
Schools

 **640+**  
Teachers

 **38,000+**  
Students

## School-based eBook Subscription Service Supporting Schools to Promote Extensive Reading

### Diverse Reading Packages

- Suitable for primary and secondary school students
- A wide range of quality Chinese and English eBooks in various categories and levels

### Free Packages

- In collaboration with the Education Bureau, Quality Education Fund, etc.
- 'English Classic Series', 'NET Series', 'Chinalane', 'Chinese Classics', 'Modern Chinese Authors Series' for schools' selection
- Form own school-based reading package by selecting suitable free eBooks from the shortlist

### Subscribe and Use with Ease

**400+**  
Schools

**380+**  
Free eBooks

**2,000+**  
Paid eBooks

**40+**  
Publishers

## Integrated Digital Reading Platform

### Multi-functional eBook Reader

- Text-to-Speech function in Cantonese, Putonghua and English
- Supporting multimedia contents, including audio, videos and interactive exercises
- Built-in tools such as bookmarking, note-taking, highlighting, etc.
- Integrated with multilingual 'Dictionary' in tablets
- Supporting eBook reading with web browsers in tablets
- Multi-book reading via web browsers
- Chinese and English interface available

### Enjoy Reading Anytime, Anywhere

- Compatible with Android, iOS and web browsers with Single Sign-on
- eBooks, personal settings and footprints synchronised in the cloud
- Online and offline reading on tablets and smartphones

600+  
Free eBooks

2,000+  
Paid eBooks

# Student Interactive Learning

Motivating students' self-directed learning and developing 21<sup>st</sup> Century skills through a series of award schemes, interactive learning games and subject resources

## Stimulating Learning Motivation by Gamified Learning Experience

- Level : P1 - P6
- Subject : Chinese Language, English Language, Mathematics, General Studies and Other Subjects

### Interactive Learning Experiences

- Learning games categorised by academic subject
- Games and tasks for students to complete and gain coins for various items in a virtual environment
- Facilitate students' financial literacy by time deposit of coins
- AI Buddy 'Too Easy' to answer questions about Small Campus, recommend games and share fun facts

50+  
Games

100,000+  
Users

[www.hkedcity.net/funpost](http://www.hkedcity.net/funpost)

- eNewsletter designed for primary school students
- Monthly publication with interesting comics and articles about general knowledge

## Learning Platform for Teenagers with Knowledge in Life and Personal Growth

- **Level** : S1 - S6
- **Subject** : Liberal Studies, Personal Growth and Information Literacy

### Exploration of Knowledge in Life

- Exploratory Blogs – Explore around to develop sense of social awareness
- News Insights – Discuss social issues to develop critical thinking skills

### Guidance and Tips for Personal Growth

- Useful articles about personal growth
- Practical suggestions for teenagers to cope with challenges along the way to adulthood

### Nurturing Information Literacy and Digital Citizenship

- Animations, online exercises and competitions to develop students' netiquettes and digital literacy

**200+**  
Videos

**190+**  
Articles

## Self-learning Platform for Chinese Language Mastery

- Level : P1 - S6
- Subject : Chinese Language

### Games categorised into three areas

'Reading Comprehension', 'Classical Chinese' and 'Language Knowledge' covering knowledge from different areas

#### Reading Comprehension

Online gamified exercises with auto-marking and instant feedback

#### Classical Chinese

Mini-games for students to appreciate Chinese classics

#### Language Knowledge

Fun games about Chinese language knowledge

**300+**  
Games and  
Exercises

## Gamified English Self-learning Platform

● **Level :** P1 - S6

● **Subject :** English Language

- Games categorised into three areas: 'Vocab', 'Grammar' and 'Comprehension'
- Game contents derived from everyday life and news videos
- Develop students' vocabulary, grammar knowledge and reading ability through gamified learning
- 'Interactive Videos' with built-in dictionary and optional subtitles to improve English and enrich knowledge
- Monthly featured 'Interactive Videos' for students to watch, learn vocabulary and speak the lines to get graded automatically to improve English listening and speaking abilities
- Chinese and English local news videos from News Archive to raise students' social awareness

**170+**  
Games

**200+**  
Interactive  
Videos

**4,000+**  
News Videos

## A Series of Learning Challenges Stimulating Learning Motivation

### Learning Progress at a Glance with Personalised Student Report

- Upgraded 'Student Report' to be launched in school year 2020/21
- Consolidated learning path and data for easy review
- Personalised information including calendar and progress of to-do tasks, latest news and relevant recommendations

### Covering Multiple Disciplines

- Chinese, English, Science, General Studies, Liberal Studies, Writing and Reading

### Understanding Students' Performances with Data Analytics

- Learning data automatically recorded
- Student reports for progress tracking

### Motivating Interest with Encouraging Prizes

- Student and / or school awards for recognition
- Prizes include trophies, certificates and book vouchers

# Reading

## Reading Contract (for P1 - S6)

- Record reading progress using the tool 'My Reading Log'
- Write book reviews, completing the journey from reading to writing
