2024

香港教育城（教城）一直作為學校的重要伙伴，致力提供各種的學與教服務。儘管面對教育環境和學習需要不繼轉變，我們仍然堅守崗位，與學界並肩同行。我們不僅進一步完善現有的服務，更將推出全新計劃，以滿足學界不同的需求。

在2023-24年，我們仔細研究教師、家長和學生的需要，務求完善各項服務的內容。為了讓教師掌握最新的教育趨勢和議題，我們定期舉辦研討會和工作坊。此外，我們將重新推出線上平台eREAP，為教師挑選優質的電子學習資源和支援工具的，不繼搜羅全球的卓越的教育方案。

我們也重視家長培育孩子的需要，積極舉辦一系列的線上及實體講座，提供教養資訊，支援家長應對子女成長路上的各種疑難。今年，教城將推出針對家長的專屬流動應用程式(Parent Mobile APP)，運用人工智能(AI)輔助工具，協助家長實踐正向家庭教育，並促進家庭關係的發展。

不得不提的是，全新的學生獎勵計劃PICCK將會於新學年推出，著重鼓勵學生培養全方位自主學習的能力和態度。

近年，人工智能的發展遠超想像，很多行業和生活模式迎來了翻天覆地的轉變，而教育界正站在分岔口。面對這個挑戰，我們必須重新思考如何重塑教育。學與教博覽作為教城的年度盛事，以「共塑教育・駕馭幻變」為主題，期望為學界帶來最新教育趨勢和實例分享，並重點展示面授課程之中各種出色的電子教學方案。今年，我們將邀請更多來自世界各地的講者和內地的教育專家，共同參與，使學與教博覽成為國際教育交流平台。

明年，將是教城成立25周年的重要里程碑。回顧教城過去取得的豐碩成果，我們將以各方的反饋作為前進的動力，並期待在未來為教育界帶來更多正面的影響。為慶祝這一里程碑，我們將推出一系列慶祝活動，並期待您的參與！

最後，感謝與教城同行的您，懇請未來繼續不吝支持及回饋，共同塑造更美好的教育前景。

As a steadfast partner with schools, we have strived hard to bring in services to fill the evolving needs of the sector. I am very excited to present to schools several new initiatives and fine-tune some existing services in this booklet.

In 2023-24, we have received very good responses from all personae, namely teachers, parents and students, on strengthening our services. We will continue our work to provide superb services. For teachers, regular talks and workshops will be strengthened to make sure teachers attain from us the latest education trends and issues. As for parents, we will be providing online as well as physical activities to empower them with skills and understanding in parenting children. A state-of-the-art Parent Mobile App will be launched this year. We wish to assist digital parenting practice with a handy AI-assisted tool. A newly designed Student Scheme, PICCK, will also be launched this year. PICCK, as a reward scheme, promotes self-learning with progression in all important aspects of developmental needs.

Over the past year, AI technology has made astonishing developments that have profoundly disrupted many sectors as well as changed the lives of human beings. Education is facing a crossroad where the educator community has to re-think how to reshape education. Learning & Teaching Expo 2024, themed 'Shaping Education in a World of Change', continues to be a flagship programme of EdCity. In this must-attend event, we hope to bring in the latest and widest range of education trends and cases to share with teachers. In particular, in this edition, we aim to extend our invitations to many more international speakers and experienced scholars from the Mainland, making Learning & Teaching Expo truly global and rich for exchange.

Online, the eREAP platform, aiming to facilitate teachers' selection of eLearning solutions, tools, and products, will be revamped. Our team has been working hard to shortlist quality solutions internationally to enrich learning and teaching.

Last but not the least, next year marks a significant milestone for EdCity as we will proudly celebrate our monumental 25th anniversary. While we review what EdCity has achieved in the past, we look forward to bringing more impacts to the sector in the years to come. A series of celebrative activities will be organised, and most importantly, we hope to obtain your active participation.

We look forward to your support and receiving feedback from you.

Yours sincerely,

Ken Ngai
